Any oversized boats are calculated at 3.5x the square footage.

******* 2 week notice on removal from storage *******

Please remove all gear before bringing a boat in for storage. There will be an added surcharge if we must move gear to service the boat. Previous storage customers, or those who have purchased a boat with us this year have priority on storage slots through **Sept 30th**. Due to shortages in available storage spaces, we are requiring a 100% deposit to reserve your space.

We will be prioritizing winter service in the shop from **Sept 15th through Oct 15th** to ensure we can handle the fall load. Please plan accordingly for rigging or diagnostic needs.
